To Whom It May Concern:

We have been involved in preparing tax returns for Air Systems Foundation, Inc. since their inception. On behalf of our firm, we acknowledge and confirm that we are proud to verify to persons and companies supporting this foundation, that approximately 90% of the gross funds contributed to the Air Systems Car Show & Family Fun Fest and to Air Systems Foundation, Inc. are dispersed through grants funded directly to support many children's charitable beneficiaries throughout Santa Clara County. Due to the large amount of support of "in-kind" donations, such as our firm's costs, Air Systems Foundation, Inc. only incurs minimal costs for such items such as stationery, postage, licensing fees, a small monthly bookkeeping fee and other minor miscellaneous costs.

We believe you should feel confident that the dedicated volunteers working with this organization, as well as their Board of Directors, ensure your donations are directly put to good use for the betterment of assisting "building our children's future" through the charities and organizations Air Systems Foundation, Inc. supports.

Sincerely,

Cynthia Lazares CPA, Inc.
